Paper Submission

Papers are invited from prospective authors with interest on the related areas (only oral presentations). Each paper should be written with title, authors' names, affiliation, email addresses, an up to 150-words abstract, and a one-column body within 10 single-spaced pages and with font size at 12 pts. All papers must be submitted electronically in PDF format only: isii2008@ijicic.org

All of presented papers at ISII2008 will be published in a **Special Issue on Intelligent Informatics** of *International Journal of Innovative Computing, Information and Control* (indexed by SCI), after revision.

After a paper has been accepted for publication in IJICIC, the author(s) will be asked to provide the LaTeX source files or the Word file of the paper based on IJICIC style. Also, the author's institution or company will be approached with a kind request to pay a reasonable page charge to cover part of the cost of publication. The author will receive a free copy of the journal plus 20 reprints after the page charge is honored. Detailed instructions for the payments will accompany the proofs.
